

# BABY UNICORN CHOW

## WHAT YOU NEED:

-  1/2 cup each candy melts: orange, pink, purple, blue
-  2-4 Tablespoons shortening or coconut oil
-  1 1/3 powdered sugar
-  4 cups Chex Mix cereal
-  Unicorn magic (fun sprinkles or edible confetti.)

## INSTRUCTIONS:

1. Place 1/2 cup of purple candy melts in a microwave-safe bowl and add 1/2 Tablespoon shortening.
2. Heat for 35 seconds, remove and stir. Reheat as necessary in 10 second spurts until no large pieces of the candies remain. Add in extra shortening to get a smooth texture.
3. Add 1 cup of Chex cereal to the melted candy melts, and stir until coated evenly.
4. Place 1/3 cup of powdered sugar in a ziplock bag and add in the candy-coated Chex cereal.
5. Seal the bag and shake, shake, shake to cover the cereal with the powdered sugar. It helps to dance around with the bag to make it extra tasty.
6. Pour the muddy buddies onto a baking tray in a thin layer and drizzle any remaining candy melts otop. Sprinkle with some unicorn magic (sprinkles).
7. Repeat with each desired color.
8. Let set for 30 minutes to dry completely.
9. Mix together and you've created a magical snack to munch on.
