

# UNICORN POOP

(aka UNICORN SLIME)

NOT EDIBLE

**DO NOT EAT!**

## INGREDIENTS:

-  1/2 cup white glue
-  1/2 cup foaming shaving cream
-  1/2 teaspoon borax powder
-  1 cup water
-  Blue, pink and yellow neon food coloring
-  You can add any kind of decorations such as glitter, beads, or anything fun you can think of to make your putty shine.

## INSTRUCTIONS:

1. In a large bowl mix glue and shaving cream with a spoon.
2. In a separate bowl or cup, mix 1/2 teaspoon of borax in 1 cup of water. Stir until the borax is dissolved.
3. Add about a teaspoon of the borax and water mixture into the glue/shaving cream bowl and mix until the putty starts to form.
4. Knead with your hands and if it's too sticky, add a tiny bit more borax and water mixture. Feel free to repeat in small amounts until the putty is no longer sticky.
5. Once your unicorn poop recipe is ready, divide into 3 pieces.
6. Add a drop of blue food coloring to the first piece of slime and knead until the entire piece is blue. You can add your unicorn charms/ decorations at this time or wait until the end.
7. Repeat with the other two pieces of putty by adding one drop of pink and one drop of yellow to each of them separately.
8. When all three pieces are colored, add them together.
9. Gently knead the fluffy slime until you have a pretty mixture of the rainbow. If you haven't added your unicorn charms to your putty you can do so now.

## NOTES:

If you prefer not to use Borax to activate the slime, try to substitute with saline solution or laundry detergent. If you don't use Borax, do not use water and you may need to add baking soda to thicken the slime.

Rubber gloves recommended for **sensitive skin**.

**Do not make** if you have skin allergies to cleaning supplies, glue, food dye or shaving cream.

**NOT FOR SMALL CHILDREN WITHOUT ADULT SUPERVISION**
