

Felt Spiders

You will need:

- * Scissors
- * White Cotton
- * Black Cotton
- * Black Felt
- * White Felt or Googly Eyes
- * Needle
- * Stuffing

1. Using the black felt cut out 2 circles for the spiders body, 8 legs and 2 pupils

2. Using the white felt cut out 2 eyes

3. Sew the 8 legs onto the back of 1 circle

4. Sew the eyes onto the front of the same circle

5. Sew the second circle onto the back of the first, before you completely sew him up pop some stuffing inside to make him fatter!

You could glue on googly eyes instead of felt
